

FAI-F3A ranked fliers who do not obtain at least one promotional score being the current promotional score from Expert to FAI-F3A in a rolling twelve month period may if they wish request relegation to Expert class. This request must be submitted in writing to the committee stating reasons for requesting self relegation.

If fliers so relegated subsequently gain three promotional scores from Expert to F3A in a rolling twelve month period they will automatically be promoted back to FAI-F3A.

The committee will review each request at the next available committee meeting. This will be done using the objective records held by the APA Contest Director and derived from the APA scoring programme.

The committee's decision will be final and no further correspondence will be entered into.
